

HAAB'S

HAAB'S, an Ypsilanti tradition, was established in 1934 by Oscar and Otto Haab. Their commitment to fresh, quality ingredients served in a simple, straightforward manner continues today. Bread baked daily, soup seasoned from our own simmering stock, and dry-aged Western grain-fed beef enable us to serve food in a traditional manner. We sincerely hope that you enjoy your meal—our staff has prepared it especially for you, using our own private recipes!

Interested in a drink with your meal? We feature imported and domestic beers and wines and have a full bar.

And if you're hungry for HAAB'S another day and don't want to eat out, remember that carry-out is another HAAB'S tradition!
